

MICHAEL LANGHOUT

ABOUT_

Michael Langhout is a business growth advisor, strategist, and coach to CEOs and leadership teams serving clients globally and locally. Driven by a relentless passion for inspiring great leadership and building remarkable companies, his clients achieve higher levels of financial performance, enterprise value, greater clarity and certainty in achieving goals, and more freedom for the CEO.

As a serial entrepreneur, founder, and former CEO in three diverse industry verticals, Michael brings deep experience in helping clients create high performance cultures that accomplish exponential growth. He specializes in helping mid-market CEOs and their leadership teams formulate strategic direction with profitable execution.

Michael's clients represent numerous industry sectors, including distribution, manufacturing, facility logistics, building materials, transportation, medical technology, ecommerce, health care services, franchise food services, financial services, digital media, and not for profit enterprises.
